### Noted information:

VA Education programs provide Veterans, Servicemembers, reservists, and certain family members of Veterans with educational resources to supplement opportunities missed because of military service. These programs are also meant to help the Armed Forces both recruit and retain members. For members of the Armed Forces, VA educational benefits assist in the readjustment to civilian life. On a broader scale, educational benefits are meant to enhance the Nation's competitiveness through the development of a more highly educated and more productive workforce.

The National Defense Authorization Act of 2016 ended REAP on November 25, 2015.

## Tuition Assistance Top-Up Program

The Tuition Assistance Top-Up (TATU) program is available under the Post-9/11 and MGIB-AD programs. TATU permits VA to issue a payment to an individual for the difference between the military service's tuition assistance payment amount and the total cost of tuition and related expenses, up to the amount that a Veteran would receive. An individual must receive military tuition assistance for the course to be eligible for TATU payments. There was a 49-percent increase in the number of unique trainees in fiscal year 2016 compared to fiscal year 2015.

## License and Certification Test Reimbursement

Under all active education programs, beneficiaries may receive reimbursement of the cost of taking an approved test for an occupational license or certification. VA pays for the cost of the test, up to a maximum of \$2,000 per test. There was a 56-percent increase in the number of unique trainees in fiscal year 2016 compared to fiscal year 2015.

## Accelerated Payments Program

Accelerated payments are available under the MGIB-AD, MGIB-SR, and REAP programs and may be made for certain high cost, high-tech programs for enrollment on or after October 1, 2002. To qualify, a beneficiary must be enrolled in a high-tech program and must certify that he/she intends to seek employment in a high tech industry as defined by VA. The beneficiary may receive a lump-sum payment of 60 percent of the total charges if the cost of tuition and fees exceeds 200 percent of what they would otherwise receive in education assistance. There was a 85-percent decrease in the total dollars paid under this program in fiscal year 2016 compared to fiscal year 2015.

## **Transfer of Post-9/11 GI Bill Benefits and Fry Scholarship**

---

The Post-9/11 GI Bill allows those eligible for the program to transfer their educational benefits to one or more dependents if they meet Department of Defense eligibility criteria. During fiscal year 2016, there were 132,666 beneficiaries who received transferred benefits from a Servicemember or Veteran. Of those 98,099 were children while 34,567 were spouses. These beneficiaries are included under Post-9/11 totals on previous pages.

Congress passed Public Law 111-32 that amended the Post-9/11 GI Bill, which established The Marine Gunnery Sergeant John David Fry Scholarship (Fry Scholarship). Children of an active duty member of the Armed Forces who dies in the line of duty on or after September 11, 2001, are eligible for this benefit. A child may be married or over 23 and still be eligible. During fiscal year 2016, 2,014 children received Post-9/11 GI Bill benefits under the Fry Scholarship.

Spouses of an active duty member of the Armed Forces who dies in the line of duty on or after September 11, 2001, are also eligible for the Fry Scholarship. During fiscal year 2016, 1,018 spouses received Post-9/11 GI Bill benefits under this benefit.

## **GI Bill Facebook Page Statistics**

---

Education Service created the Post-9/11 GI Bill Facebook page [facebook.com/gibillEducation](https://www.facebook.com/gibillEducation) in fiscal year 2009. The Post-9/11 GI Bill Facebook page serves as a source of information where members of Facebook can “like” the page and receive updates on the Post-9/11 GI Bill. The Facebook page allows Education Service to directly interact with those who are using the Post-9/11 GI Bill and those who might know someone who is eligible in addition to the general Facebook community. Of the approximately 96,599 Facebook members who follow and interact with our Facebook Page:

- 58 percent are male and 42 percent are female;
- 37 percent of our users are between the ages of 18 and 34;
- 28 percent are between the ages of 35 and 44;
- An overwhelming majority of users are from the United States, while the Philippines and Germany are second and third respectively.

Note: The data is current as of October 1, 2016, and should not be seen as characteristic of those who use the Post-9/11 GI Bill. There is no secure way for VA to determine if a Facebook user is also eligible and/or using the Post-9/11 GI Bill. Therefore, the characteristics listed above should only be viewed as a limited sample of the Facebook user community who maintain an interest in the Post-9/11 GI Bill.

## Education Data by State
